

LAZYDAYS GUEST HOUSE

COVID-19 CODE OF PRACTICE

Our main priority is the safety of our guests. We really hope all guests will be understanding of this issue and will support us and other residents for the safety of all. Please carefully read the codes of practice below, which we sincerely hope you understand and will agree to the content:

- If you do become ill on holiday, you must contact us immediately for help and guidance.
- You must not travel if you are ill or have a high temperature prior to leaving home.
- Give priority to those ascending stairs - do not cross on the staircase.
- In communal areas, windows will be open during daytime hours to aid ventilation.
- Maintain social distancing in particular, inside internal communal areas.
- Please do not congregate in internal communal areas.
- Please use the hand sanitiser upon entering the premises located at the main entrance and throughout your stay.
- Please give priority to those departing at the main door.
- Wash hands regularly and use hand sanitiser.
- In communal areas, please only touch necessary items.
- Do not allow children to play in internal communal areas.

We will

- Clean and sanitise communal areas at least 2 times per day.
- When possible, guests are requested to vacate rooms between 10:30 am and 12:00 noon each day to enable thorough cleaning and sanitising to take place. On the day of departure, please vacate by 10.30 am.
- Hand sanitisers will be checked on a regular basis.
- Constantly review safety issues as required.
- Follow and conform with government guidelines to contain the pandemic.

We wish you all a safe, relaxing and pleasant stay with us
